

Governor

Perennial Ryegrass

Pasture Grasses

Endophyte	AR37, AR1, LE
Stock Type	Dairy, Sheep, Beef/Deer*

*AR37 isn't recommended for deer or horses

Governor is our great all-rounder, persistent, growthy and dense. If you need reliable ryegrass with AR37 or AR1 endophyte, Governor has your back.

Genetic legacy

The persistence of *Bronsyn*, with the high DM yield and palatability of *Tolosa*, make Governor an ideal diploid ryegrass for dairy, sheep and beef systems.

A true survivor

Governor is the Rambo of AR37 ryegrasses for persistence. Fine and densely tillered, it's survived outstandingly well under grazing through drought and high insect pressure in farm trials nationwide. Governor is also available with AR1 endophyte if you don't need AR37.

Where to sow

Pasture type	High animal performance	More density & robustness	Persistence key requirements	Toughest, non-ryegrass situations
	<div>Increasing persistence</div>			
Example	Array/ 4front mix OR Maxsyn/ 4front mix	Array OR Maxsyn OR Governor	Rohan SPR	Bareno Redefine
Description	Array or Maxsyn provides density and robustness, tetraploid 4front adds high palatability driving animal intakes.	Array, Maxsyn and Governor are densely tillered cultivars that provide robust, high yielding pastures.	Rohan SPR is a very persistent spreading ryegrass suited to hill country and tougher conditions.	Some situations are just too tough or dry for ryegrass. This is where Bareno pasture brome and Redefine cocksfoot suit.

Seasonal Growth

Want more feed in early spring and autumn? Most farmers do. Sow *Governor*, and you're sorted.

Staunch

With a +8 days heading date, low aftermath heading and better rust resistance than its parents, *Governor* is your dependable, hardy multi-purpose pasture.

Sowing Governor

Dairy		kg/ha
Top performing all-round pasture	<i>Governor</i> perennial ryegrass	18-22
	<i>Kotuku</i> white clover	2
	<i>Ruru</i> white clover	2
	<i>Captain CSP</i> plantain	2-4
	Total	24-30
Sheep, Beef		kg/ha
Top performing all-round pasture	<i>Governor</i> perennial ryegrass	16-20
	<i>Ruru</i> white clover	2
	<i>Apex</i> white clover	2
	<i>Redefine</i> cocksfoot	3-6
Total		23-30
